

DELIVERING FLEXIBILITY FOR A NEW PRODUCT TO GROW

AND REALIZE A HYPERSCALER'S AMBITIONS

PROVIDING A FLEXIBLE ENVIRONMENT & CONTRACT

The Hyperscaler needed to test and deploy its new product, a media and entertainment cloud service in a flexible environment.

FOREVER ON FLEXIBILITY

DELIVERED WITH TOP 10% QUALITY & PERFORMANCE

The client measures the performance of its vendors every quarter. This was our first engagement with them, and T5 immediately reached the top 10% of all vendors worldwide for our processes, procedures, and attention to detail.

FOREVER ON PERFORMANCE

FLEX

WITH REQUIREMENTS FOR STRINGENT SECURITY PROTOCOLS

The client's security requirements were exceptionally rigorous, including armed guards and layers of data hall safeguards. Our teams integrated to deliver the security layers successfully.

FOREVER ON PARTNERSHIP
