

LEADERSHIP MAKES THE DIFFERENCE

BRINGING RIGOROUS FM TO A GLOBAL CLOUD PROVIDER

HIGH TOUCH LEADERSHIP

With leadership team members on site, we could not only hear needs and make recommendations for improvement, we made them happen fast.

FOREVER ON PARTNERSHIP

GROWING FROM 3 STATES TO 3 CONTINENTS

As their needs grew, we grew with them. We began the engagement at sites in 3 U.S. states, & grew to 3 continents.

FACILITIES MANAGEMENT
FOREVER ON

SOP

INCREASED WORK ORDER COMPLETION

Hundreds of incomplete work orders in a single facility was the standard. We cut the incompleteness rate tenfold, which drove performance across the campus.

FOREVER ON PERFORMANCE

CREATED DAY 1 PROCEDURES TO ENSURE SUCCESS

A lack of Day 1 procedures forced them to often delay commissioning or pull PMs from other initiatives. We stepped in, wrote the procedures, and they opened on time.
