

A FOREVER ON SUCCESS STORY

AFTER 40 YEARS OF MISSION-CRITICAL OPERATION,
COMPLETE REPLACEMENT WAS THE ONLY OPTION

ADJACENT TO ITS GLOBAL HEADQUARTERS, THIS AIRLINE NEEDED CRITICAL EQUIPMENT UPGRADES

The service life of multiple cooling towers was at its end. Their replacement required the expertise to replace them without disruption.

FOREVER ON EXPERTISE

CLIENT:

GLOBAL PASSENGER AIRLINE

T5 SET AN AGGRESSIVE SCHEDULE FOR COMPLETING THE PROJECT

An outage was not an option, and the cooling towers needed to be replaced quickly.

FOREVER ON PERFORMANCE

WE BEAT THE SCHEDULE

Completing the project ahead of schedule, T5 reduced risk for the airline, helping to assure their operations ran smoothly, and their flights ran without interruption.
